

United Way of Frederick County Unity Campaign 2022 Criteria and Guidelines

These guidelines offer general guidance and are not a guarantee of application acceptance to the Unity Campaign. Each application is evaluated on its potential value to Frederick County; the quality of planning, leadership, support and vision expressed; and the relative need for the program proposed.

Eligibility:

Nonprofit organizations that have federal tax-exempt status as a section 501(c)(3) public charity or public non-profit organizations that have been authorized to receive tax deductible donations are eligible to apply. Religious organizations are eligible to apply for projects without a sectarian component. The nonprofit must provide services within Frederick County and funding requested must only be used to benefit Frederick County residents.

Organizations must comply with all regulations of the state, county and federal government pertaining to proper licensing, health and safety requirements and operation within the State of Maryland and certify they are in compliance with the USA Patriot Act and other counterterrorism laws. Organizations accepted into the Unity Campaign must also abide by a memorandum of understanding, which outlines responsibilities and reporting requirements related to campaign funds.

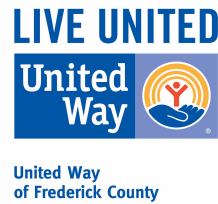

Selected campaign partner organizations will be invited to future involvement with United Way including but not limited to participation in Day of Action, Workplace Giving Campaigns, Summer Serve, Impact Councils, Special Event Fundraisers and/or co-marketing of United Way events.
