Volunteer

Sign up with Get Connected to volunteer as often as you want year round for causes you support. We will match you with nonprofit opportunities.

Roll up your sleeves and get to work helping out in the community on the Day of Action in October. Tackle much-needed projects to beautify, support, feed, and enrich our community and our neighbors.

Help families get needed school supplies. Every summer, United Way and Frederick County Public Schools run a "Stuff the Bus" drive to support students in need. Donate supplies and then help us sort them.

CREATING LASTING CHANGE

WHAT WE DO

1 WE IDENTIFY LOCAL NEEDS

We research the root causes of challenges in our communities and share the results. We update the data on a regular basis so we can identify trends and take action.

2 WE DEVELOP SOLUTIONS

Health, education and financial stability are the building blocks for a good quality of life and a strong community. We fund programs that take on challenges in these three areas to drive systemic change.

Last year we invested \$3,217,998 into our community reaching over one in five households.

3 WE BRING PEOPLE TOGETHER

For more than 80 years, we have worked with local governments, businesses, schools, nonprofits, volunteers, and others to accomplish what no one can do alone. We advocate and drive change. We support a network of over 100 nonprofits in the area and award community impact grants.
